Modern-day  
Slavery

#### Heuristics

The background image shows an aerial view of a city at night, with numerous buildings and streets illuminated by lights. A highway with blurred lights from moving vehicles cuts through the scene. The overall atmosphere is dark and urban.

The background image shows a panoramic view of a city at night from an elevated vantage point. The city is densely packed with buildings of various heights, their windows glowing with warm light. Streets below are lined with streetlights, creating bright streaks of light against the dark night sky. In the distance, more city lights stretch towards the horizon under a dark, slightly cloudy sky.
